

# OTJ/MODERATION MĀORI MEDIUM WORKSHOP 2

## INTENDED OUTCOMES

Participants will have

- Reflected on their own changed moderation practices
- Applied assessment for learning and assessment of learning approaches to ākonga work profiles in reo matatini and pāngarau
- Increased their understanding of moderating achievement across language and pāngarau strands
- Analysed achievement information from a range of Whanaketanga report formats

## PREPARATION AND THINGS TO BRING

- Download one copy of the reo matatini ākonga work profiles available that appear here to a laptop. Ensure each person attending from your kura or organisation also loads a copy to a laptop from that downloaded version. Doing this will ensure data isn't unnecessarily used up. Also check before you attend the workshop that the audio and video files in those ākonga work profiles can be opened and will play on your laptop.
- Bring the laptop to the workshop
- Download to your laptop or print a copy of Pāngarau samples. There are 5 samples, Ākonga A, Ākonga E, Ākonga I, Ākonga O and Ākonga U. Please choose 3 samples to work with in the workshop.
- You also need to bring:  
Kia Whakatau te Aronga manual from workshop 1. A PDF copy is located under the resources tab Resources for Workshop 1 [Link to workshop 1 manual](#)  
Ngā Taumata Tuhituhi draft manual [Link to manual \(as above\)](#)  
Ngā Whanaketanga manuals (for te reo and pāngarau)
