

TE WHAKAMAHI I NGĀ PAEREWA PAETAETAE (Taumata 1)

Working with the aligned standards Māori medium: NCEA LEVEL 1

A new set of NCEA Level 1 standards are available for use in Māori-medium settings. These new standards are aligned to Level 6 of Te Marautanga o Aotearoa and are available for all learning areas. They are often referred to as 'the aligned standards'.

This year, 2014, teachers have a choice of which standards to use in their Level 6 programmes (the new 'aligned' standards, or the existing standards).

From 2015, this choice will not be available. All Māori-medium kura teaching programmes that lead to NCEA 1 will be required to use the aligned standards. The existing standards will expire.

This is a Ministry of Education professional learning and development initiative.
